

Doha British School

Pre School Weekly Brief

w/c Sunday 24th January 2016

This week we are continuing our work on nursery rhymes and making our nursery rhyme books. In Maths we are learning about positional language by discussing the position of Humpty Dumpty 'on' the wall, 'behind' the wall etc. We are also learning to count back from 10 to 0.

Messages from the Teachers

- On Thursday 28th January everyone in the school will become scientists for the day when we hold our annual Science Day. This year the day is called '**Just a Minute**' and teachers are busy planning investigations which take just 60 seconds!
- The school will be closed for National Sports Day on Tues 9th February.
- Parent teacher meetings for the Pre School classes will be on the 15th and 17th February. Please sign up for a time on the sheets outside each classroom.
- Mrs Cliffe and Mr McGuire will be holding an open evening on Monday 22nd February at 6pm in the MPH. The evening is to provide you with an opportunity to ask any question you would like about the school. Please note this is NOT an opportunity to discuss issues about your individual children.

Activities for home

Please practise counting back from 10 with your child using this song
