This week Pre School are continuing the topic of 'All around the World' and each class is focusing on a different country. The children have now started some phonics orientated activities, as discussed at the phonic workshops. The children are currently working on Phase 1 which concentrates on developing children's speaking and listening skills and lays the foundations for the phonic work which starts in Phase 2. As explained in the workshops the emphasis is on the children listening to the sounds around them, rhyme, alliteration and developing an awareness of syllables.
