

DOHA BRITISH SCHOOL

Topics

Literacy – Myths and Legends.

This week the children will revise the features of a myth. They will use adjectives, verbs and adverbs to create descriptive sentences.

Maths – Operations.

This week we will focus primarily on addition with regrouping of units to tens. Later in the week we will progress to subtraction with regrouping.

Dynamic Learning – Monsters

To introduce the topic, the children will create their very own monster focusing on where it comes from, what it eats and what it wears.

Qatari History – to name and distinguish between different ancient monuments in Qatar.

Arabic/Islamic Studies – see folders.

Science – Light

Introducing the topic of light the children will investigate the sources of light, how it travels and what objects it passes through/around.

Homework

Homework will continue as it had been with children completing 1-3 spelling activities and 1 reading journal activity.

Homework goes home on a Monday and must be returned by Sunday.

Reading Books

Reading books must be in their reading folder along with the reading record book. This folder must be placed in the tray on the day of changing. Books will not be changed if they are not there.

Please ensure the Reading Record is signed when the books are finished. All books must be read and signed for by a parent in order for them to be changed.

The children can use these reading books to complete the Reading Journal activity of their homework.
