HOMEWORK FOR THIS WEEK

Topics this week

Literacy: starting a new unit, stories from other cultures.

Maths: Block E – week 11 –

Interpreting data: line graphs, bar and pie charts.

Science: Forces - identifying the effects of air and water resistance and friction.

Dynamic Learning: gathering information from sources and artifacts.

Sunday

Spelling: The children should complete at least one activity from the sheet using the spelling words. They can choose to do whichever activities they like to help them learn their spellings, but encourage your child to try out some different activities each week. Choose 10 words from list A and list B.

Tuesday – Maths

Maths is now set online, using www.myimaths.com

Children will receive log in and password details from their teachers.

Monday – Literacy

Homework this week is set on the website Studyladder, a free website, which has many activities across a range of subjects. Children have been given their usernames and passwords by their class teacher.

SPELLING TEST IS ON THURSDAY.
