

DOHA BRITISH SCHOOL

Learning this week

Literacy- We are learning about film narrative and will be interviewing characters from the movie, asking open-ended questions.

Maths- We are learning to describe, continue and begin to generalise each term in a sequence.

Science- We are learning about the stars that are sources of light and how that they form constellations.

Creative learning- We are researching and recording important developments in space exploration. **Presentation of space project**

Our focus will be to encourage students to read more and become good writers.
