Pre-School Weekly Brief Week commencing Sunday 20th May 2018

This week the children are reading the book 'Aliens Love Underpants' and the activities in class will be based around this book. The children will be creating their own alien and using their imaginations to describe to others where their alien has come from, their name and what they eat etc. This will help the other children in class develop their questioning skills.

Activities for Home

Please bring in objects or pictures of things beginning with 'n'.

Messages From The Teachers

Thank you for coming to class on Thursday for the end of our fabulous Everybody Writes Week. The children really enjoyed the visits from the ambulance/paramedics and firemen.
