Reception Weekly Brief

Week commencing Sunday 23rd April 2017

Welcome back! We hope you had an enjoyable holiday. This week we will be starting our new topic of 'Traditional Tales' therefore we will be developing our 'talk for writing' skills over the course of the term. This is the process where we add actions to stories to help us re-tell the story.

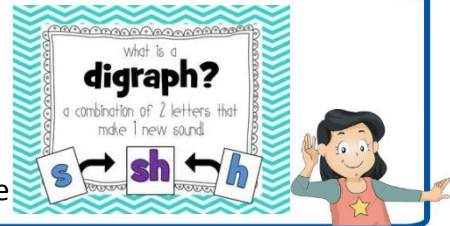

Sounds of the Week:

We will be recapping on sounds.

Tricky Word: there

Please continue to practice recognising and hearing the **digraphs** and **trigraphs** at home

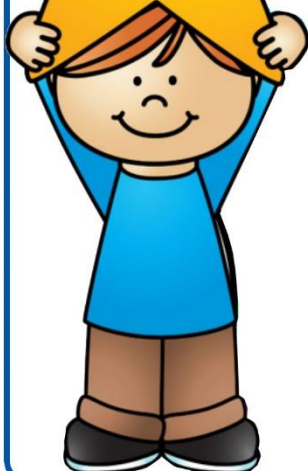

Homework: Take some snapshots of your holiday to share with the class. Use the recording sheet. Photos could include where you went; who you went with; how you got there; who you saw; what you did; what you ate; how you had fun and the last day.
