## Reception Weekly Brief Week commencing Sunday 7<sup>th</sup> January 2018

Welcome back! We hope you all had an enjoyable Winter Break. This term we delve into the Oceans of the World by exploring everything from marine life to Pirates. This week we will review what we already know about sea animals and find out answers to our questions. In Maths we will talk about 2D shapes.

**Homework:** Play 'Guess the Shape' with a friend or family member. Describe a shape, remembering to say how many sides and corners it has and to be specific, e.g. "It has 4 sides. It has 4 corners. It has 4 equal sides." See who can guess the most shapes correctly.

What places, animals or objects can you draw using only 2D shapes? Can you make a train using rectangles, circles and squares? Can you make a rocket using rectangles, triangles and circles? What else can you make?
