

Year 5 Learning Log Term 1  
Autumn term 1  
September – October 2017

Literacy Activities

**Writing**

- Write a detailed biography for a famous person and present it in a format of your choice.
- Complete spelling homework.

**Reading Comprehension**

<http://www.studyladder.com>

- Different activities for grammar and reading comprehension will be set every week.

**Reading**

- Keep a reading journal with an entry for each library book you read this term

Maths Activities

- Research each planet's distance from the sun, length of their year/day, surface temperature organise the data in a chart.
- Use the data to create your own word problems.
- Maths activities will be set every week based on the topics covered in lessons.

Please complete all mymath activities set by your teacher.

<http://www.mymaths.co.uk>

Other Activities

**History:**

- Research a famous space mission.
- Create a chronological timeline of space exploration.

**Design & technology:**

- Using ordinary materials in your home, replicate a small rocket.

21<sup>st</sup> Century Learning Skills

- Research and compare the cost of an electronic device in different countries.
- Bring in currencies from different countries.
- Create a saving plan for an item you want to buy.

Activities chosen from the Learning Log should be recorded inside their homework books. Choose two activities each week from any box. **Make sure** that at the end of the term you have chosen a Literacy/ Maths and an 'other' activity.

**This is in addition to reading and times tables practice.**
