PRESCHOOL WEEKLY BRIEF

Week Commencing the 6th of December 2020

Dear Parents,

Last week the children were learning the nursery rhyme “Incy wincy spider” and they all had so much fun! They went on a bug hunt and found lots of different bugs and insects (some plastic and some real), real insects can be hard to find in Doha! The children also talked about spiders and discussed if they liked or disliked them and then made up a bar graph to show their findings. They have been hard at work developing their fine motor skills using tweezers to pick things out from a spider’s web. They have also been developing their gross motor skills in PE by making shapes with their bodies to look like insects.
