Week Commencing the 19th September 2021

The children had a very busy week learning all about different parts of their body. They have been drawing self-portraits making sure that they have included their eyes, ears, nose, mouth, hair and other facial features. The children have started PE lessons and are enjoying their time developing their gross motor skills. Next week we will continue our learning about body parts and talk about our family and who is in it.
