Week Commencing the 3rd October 2021

Learning about feelings has been a big focus in pre school this week and the children have produced some lovely pieces of artwork showing what different emotions look like. During carpet time they have been showing their friends and teachers what an angry, sad, happy and excited face looks like which was lots of fun! The children will now begin to explore and talk about how they can make their classroom a better place, with a focus on good listening, keeping it tidy and being kind to their friends. In maths they will be learning about the “square” shape and will focus on name recognition in literacy. The children will also begin to explore their senses and will have the opportunity to make a musical shaker in class.

MESSAGE FROM THE TEACHERS:
