Doha British School Wrap Around Care

At Doha British School, we are a caring and considerate employer. As part of our commitment to our staff, we provide wrap-around care during term time. This includes:

- Breakfast club from 6:30am - 6:50am (the commencement of the school day).
- After-school creche, which runs Sunday - Wednesday 12:45pm/1:30pm - 2:35pm. There is no creche facility on Thursday and parents must pick their children up at the designated time (1:20pm or 1:30pm).
- During INSET days, it is the responsibility of the parent to arrange childcare for their child. When possible, we will utilise our outside agencies to support INSET childcare.
- During Induction week at the start of the academic year, it is the responsibility of the parent to arrange childcare for their child. When possible, we will utilise our outside agencies to support Induction week childcare.

We expect the staff, who take advantage of the Wrap Around Care, to treat all staff delivering the service with respect and courtesy and to pick their children up on time.

Thank you
