## AIN KHALED CAMPUS

*Our core purpose is that every young person should gain as much as possible from our school,  
based on our belief that all learners can, need and want to achieve.*

This email is for parents of students in Preschool to Year 13.

Dear Parents,

As a result of the increasing number of Covid cases in Qatar unfortunately as a school we have also been impacted on quite heavily. Currently we have a significant number of staff who have tested positive across both the Primary and Secondary school. We took the precautionary measure to test all staff last week and regrettably some of our teachers have returned positive results. To ease the potential chances of any further in school transmission and to ensure the health and safety of all of our staff we will be operating a reduced school day from tomorrow (**Monday 10th January 2022**) until further notice. As a school we must also be mindful of the impact online learning has on our students/children so we will be reducing the amount of screen time that our students/children currently access. This will not impact on the 'outstanding' online provision teachers at DBS provide. Students/children will continue with the same quality of lessons and follow up tasks. See the revised school day below:
