

Dear Parents,

The children have been very busy continuing their learning on “We’re going on a Bear Hunt.” They have worked very hard on sequencing the story and made beautiful pictures showing all the different parts of the story in the correct order. The children have been very creative and had fun using clay and other materials to make bear caves. It was a bit messy but it was a great activity to help develop their fine motor skills! Next week the learning in the classroom will be focussed on the traditional tale “The Gingerbread Man.” There will be a big emphasis on identifying rhyming words in phonics and the children will also be earning to retell the story.

Enjoy the weekend!

MESSAGE FROM THE TEACHERS:

As the weather is a bit colder please make sure that you send your child with a jumper or jacket. School uniform is important so only school colours and no hoodies.

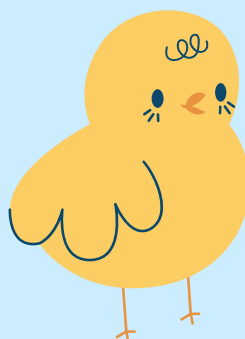

Next week there will now be 2 stars of the week from each class. One from group A and one from group B!

HOME ACTIVITY:

Help your child improve the phonic skills by getting them to identify different rhyming words. They can be real words or you can make up silly words!
