

I hope you have enjoyed your first week of the VLE activities and it has been lovely to see everyone working so hard at home. This week the children have been busy learning all about the colour pink and the flamingos that they have made are AMAZING! The children have all been enjoying the book “The magic train ride” and it has been lovely to hear them describing their favourite part. Next week the children will continue learning about the letter “p” and will be busy practising writing their name. They will also be learning some science and learning about the lifecycle of the frog.

MESSAGE FROM THE TEACHERS:

Thank you so much for all the amazing work being submitted on Class Dojo, please remember to only submit one video or photograph for each activity.

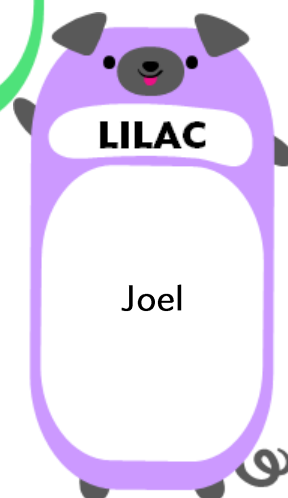

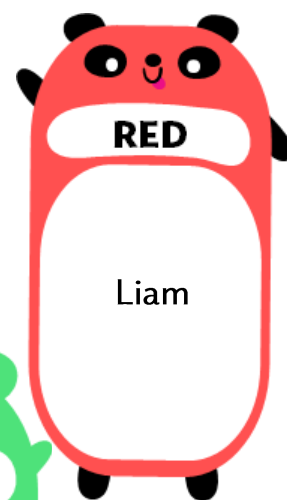

HOME ACTIVITY:

Next week the website will look slightly different and the activities will be laid out daily. I hope this will be easier for you to follow and please remember your child should not be spending any longer than 15/20 minutes on any activity.

LIBRARY:

Library Books - If your child did not return their library books before the Spring Break, please make sure they are returned to school by dropping it off at the front gate with the security between 7:30am and 1:30pm.
