

Well done for all your fantastic work last week boys and girls! You have done such a fantastic job learning all about the number 7. It was lovely to hear you talking about what to do if a friend is not nice to you and please remember to use these strategies. The paper plate submarines you made were fantastic and it was amazing to see how much effort you all went to.

Eid Mubarak!

MESSAGE FROM THE TEACHERS:

Thank you so much for all the amazing work being submitted on class dojo, please remember to only submit one video or photograph for each activity.

The teachers and children have loved seeing everyone at the live zoom sessions so please join in if you can and remember to wear school uniform.

HOME ACTIVITY:

Enjoy the Eid holiday!
