

Dear Parents,

This week the children have had lots of fun reading and learning from the book “Dear Zoo.” The children had lots of fun building and painting their bridges. In maths they have been busy learning about the number 6 and investigating patterns. The children are progressing well in phonics and their letter formation is developing fantastically. They have been learning about the sound “p” and have been able to find things that start with the sound and have enjoyed writing it. Next week is the final week before the holidays and the children will continue their learning about “Dear Zoo.”

Enjoy the weekend!

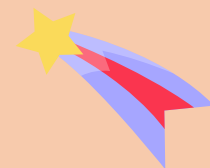

MESSAGE FROM THE TEACHERS:

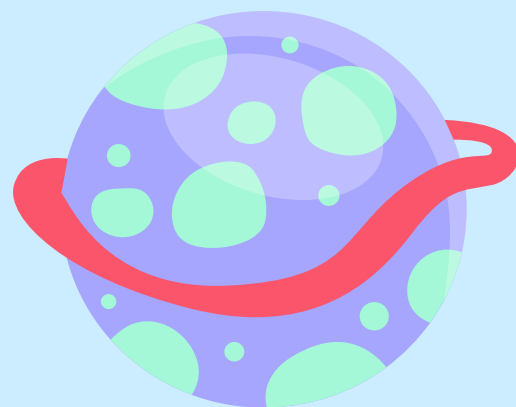

Please ensure that your child is completing the VLE activities on the days that they are not at school and submit them on class dojo. The teacher will give feedback in class. If you are finding it difficult please prioritise phonics, maths and literacy.

Thank you for your continued support.

HOME ACTIVITY:

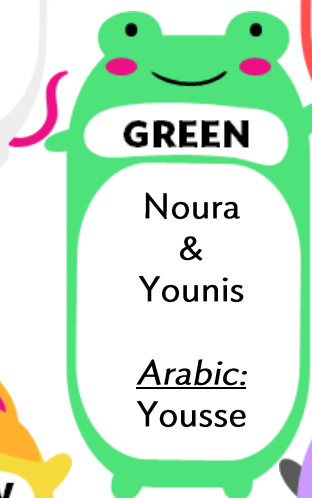

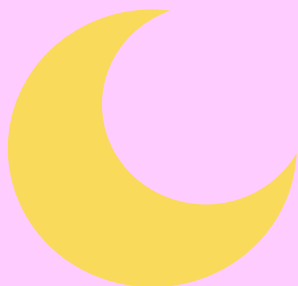

Find things in your house that start with s, a, t and p.

LIBRARY:

Library Books - As we are reaching the end of term 2, we will need to collect library books to check our data and library resources, therefore could you please make sure all library books are returned to the library with your child.
