

Dear Parents,

It has been a busy week in Pre-school with our learning on "The Gingerbread Man". The children have become more confident in retelling the story and it has been lovely to watch them retelling it to the teacher and their friends. They have been busy learning about the colour green and have been mixing paints to make the colour. In maths the children have been using numicon and ten frames to count out various amounts with a focus on the number 4. Next week we will continue our learning on the Gingerbread man and are looking forward to taking part in sports week.

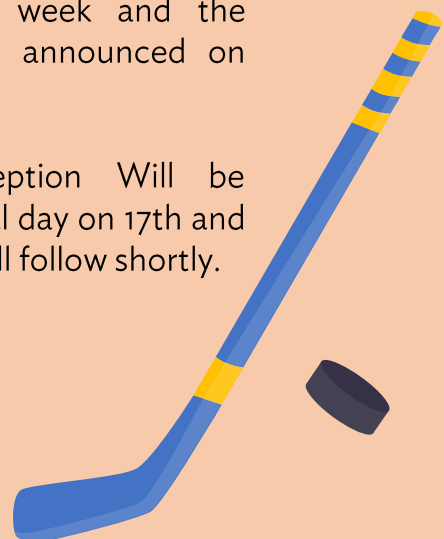

Enjoy the weekend!
