

The children have been busy this week continuing their learning about farm animals. They have been talking about what things we get from animals and have enjoyed pretending to milk cows and collect eggs. They have also had lots of fun doing “junk modeling” to make farm animals. They have been working on their fine motor skills by doing different crafts and have enjoyed cutting and sticking wool, to make their own pieces of art.

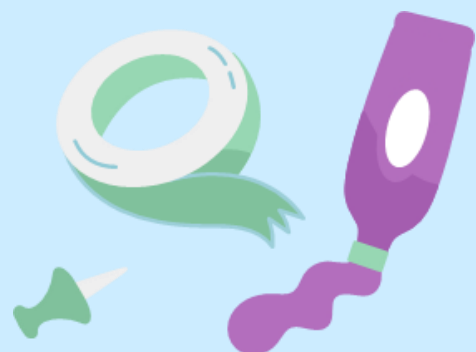

MESSAGE FROM THE TEACHERS:

Please make sure your child arrives at school on time. The door opens at 6:50am and closes at 7:10am

HOME ACTIVITY:

When you are out shopping find different things that we get from animals e.g. milk, butter, eggs etc. Please talk in English when doing this.
