

The children have enjoyed continuing their learning about “Humpty Dumpty” and have been busy drawing the characters from the story. They have had fun in science and have looked at what happens when you drop Humpty Dumpty onto different surfaces like water, tables and oil. In maths they have been learning about the number 5 and have looked at different ways to represent it. The children also enjoyed their first assembly with Reception in the MPH hall and are looking forward to attending assemblies every week.

MESSAGE FROM THE TEACHERS:

Please ensure you send a complete set extra clothes in with your child e.g. socks, pants, shorts and shirt.

Bring in a family photograph next week to share during circle time.

HOME ACTIVITY:

We have been talking about Community Spirit and that we are part of a school community. Please discuss in English with your child different ways of how we can make the school better.

LIBRARY:

Library Books – Please make sure books are returned in the yellow library folders to allow your child to take a new book out.

Photos of the Week
