3rd of January 2021

Message from The Principal

Dear Parents,

As we come to the end of quite a unique term I'd like to just say a big thank you to all our staff, students and parents in supporting the school through what have been difficult times for us all. We as a DBS community have faced up to the challenges and have grasped the opportunity to work and think differently.

I am proud of the way our students and staff have embraced the changes and adapted to the blended model of learning.

We look forward to the day we can welcome all our students back on a daily basis, but until that day we will continue to offer the very best provision for our students. May I take this opportunity to wish you all a prosperous new year and relaxing winter break and I look forward to welcoming you all back to school on January 3rd 2021.

Regards,

Paul Sherlock
Principal

Antarctica Flag Competition

Congratulations to Fiona from 7Q who designed the winning DBS entry for the Antarctica Flag competition

Everyone at DBS are very proud of Fiona for her submission and huge effort on designing a flag for Antarctica. Here is a photo of her winning submission for Doha British School in Antarctica with a British researcher. Well done Fiona!

Lusail Triathlon

A huge congratulations to Sixth Form student Anvitha who competed in the Lusail Triathlon.

Anvitha competed in the junior women's category and finished second in a personal best time of 1 hour 27 minutes

Well done Anvitha!

We have had a very busy first term in the DBS Art Department. We have challenged our students to compete in 4 different art competitions, our Year 11 students have been working on their mock examination project and our Year 13 students have been preparing for their final exhibition which will take place in February 2021. We would like to say a huge well done to our art students for all the effort and commitment demonstrated this term. Enjoy your winter break!

Thank you from Mrs. Dearden & Miss Battersby

Well done Year 11's

Winter Read

Need help adding yet more books to your Want to Read shelf

Some of us prefer snuggling up with romances, while others prefer chilling thrillers. However hefty classics fictions set in cosy mysteries never go amiss:

Can't read Won't read classics – try these
