

Everyone has continued to work hard at home and it has been lovely to see all your learning about Africa. I am so proud of how confident the children are at counting out the syllables in words and they have done a fantastic job remembering lots of animals that live in Africa. Next week we will be continuing our tour around the world and will learn about what it is like to live in the U.K. The children will be busy learning about Paddington Bear and have an opportunity to make pancakes.
