Dear Parents,

### New DBS School Uniform

Thank you to all the students, parents and staff who contributed to the uniform consultation. There were over 400 responses across the DBS cluster of schools. We have listened to the views of all stakeholders and are excited to share with you the final look and design of the new DBS uniform. The new DBS school uniform will be available to purchase ready for the start of the new academic year 2022/23, however parents have 2 full years until the new uniform will be fully implemented (August 2024/25).

### Do all students/children have to be in the new uniform at the start of the new academic year 2022/23?

No. Only students who are joining DBS as new students are required to purchase the new uniform for August 2022/23 or if parents are replacing the existing uniform. Year 7 students will be expected to wear the new secondary uniform as they move up to the secondary school and Year 12 students will be expected to wear the new sixth form uniform from August 2022.

**Please note:** If you have a child moving into Year 7 and wish to recycle the current school uniform, this would be permitted up until the start of the Academic Year 2024/25. You are not required to purchase the new uniform for 2022/23.

### When do all students/children need to be in the new uniform?

There is a 2 year roll out period to allow students to get maximum use of their current school uniform. All students will be expected to be in the new school uniform by August 2024/25. Year 13 students may continue to wear business attire for the Academic Year 2022/23.
