

I hope you all had a lovely eid break and welcome back! The children were very excited to return to school. The children have been very busy learning how to write their name and practising it in class. They have been learning about lots of different modes of transport and next week will be focussing on trains and the metro.

## MESSAGE FROM THE TEACHERS:

Please remember to send in the My Gym top letter and money ASAP.

## HOME ACTIVITY:

Practise writing your name. You can write it in sand, shaving foam or even make it with playdough!

## Photos of the Week

### LIBRARY:

To encourage the love for reading, students who are independent readers from Year 2 to Year 6 can change their books during the week if they have already finished reading their book. They can come to the library during their breaks to do so and even can stay if they want a quiet place to read.

Also, a gentle reminder to return the library book for your child to take a new book home.
