

The children have had a fantastic week celebrating STEAM week. They enjoyed their science workshop where they made slime and had so much fun in the “Dome” watching the science film. For art day, they explored their senses and enjoyed using unusual objects to paint on an outline of a body. For Maths day the children went on a number hunt and they were all able to find the numbers on the eggs, their costumes were amazing! STEAM week was so much fun!

MESSAGE FROM THE TEACHERS:

Please look out for Class Dojo messages about the class party on Tuesday 21st June.

LIBRARY:

What a way to end the children's library session! EYFS children acted as little froggies just like the book that the Librarians just read, "Hoppy Ever After!"

See the next page for some exciting photos!

HOME ACTIVITY:

Practise writing numbers to 10.
