

The children have been continuing their learning about seasons and have been focussing on Spring and Summer. The children have been developing their fine motor skills by threading beads and objects onto string and pipe cleaners. They have also had lots of fun making rainbows using different art materials, and even used tier handprints to make a huge rainbow! The children will continue their learning about summer and will be talking about how to stay safe in the sun.

## MESSAGE FROM THE TEACHERS:

Please remember to send sun hats in with children so that they can wear them during their outdoor play.

## HOME ACTIVITY:

Bring in a photograph of you at the beach to share at show and tell.

## LIBRARY:

A gentle reminder to return all library books in order for your child to take a new book home.
