

What a wonderful first week back after the half term. Pre-school students have been busy taking part in a “Spark” week, sparking their interests about under the sea and dinosaurs. The children have been excited investigating and exploring how they want to continue their learning.

Next week the children will be looking at different creatures that live under the sea and will also be exploring volcanoes! The children have also had a lovely time visiting the library and reading with Ms Linda.

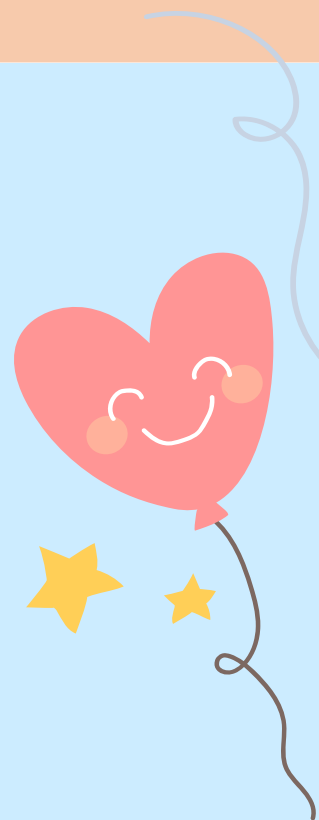

## **MESSAGE FROM THE TEACHERS:**

Miss Byars will open the doors at 6:50am in the morning and the children should enter through this door. Please remember to bring your library books back on the day you visit the library.

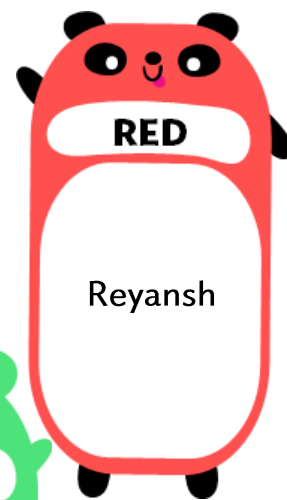

## **HOME ACTIVITY:**

Practise writing the letter “s” by using your fingers to write it in sand or maybe you can even use shaving foam!

## LIBRARY:

**Library Books** – Please make sure books are returned in the yellow library folders to allow your child to take a new book out.
