

The children have had such a fun and exciting week continuing their learning about dinosaurs and under the sea. They have been busy making lots of different crafts including jellyfish and sharks! In PS Silver the children expressed a desire to learn about volcanoes and even made a volcano in their class which erupted! Phonics has been lots of fun this week and the children have been busy learning about the letter “s” and next week they will be learning about “a”.

MESSAGE FROM THE TEACHERS:

We are celebrating World Book Day next week and on Thursday 3rd March the children can come to school dressed as their favourite book character!

HOME ACTIVITY:

Get ready for World Book Day! Bring your favourite book to school on Sunday and share it with your teacher and friends. Use a potato and design it as your favourite book character. You can use paint, crayons and other craft materials.

LIBRARY:

Library Books – Please make sure books are returned in the yellow library folders to allow your child to take a new book out.

On the occasion of World Book Day, the library will be running a **“Bookmark Design Competition”**. Kindly encourage your children to prepare their design at home so that they will be ready for World Book Day.
