Important Dates & Events

End of Academic Year: 23rd June 2022

Start of next Academic Year: 16th August 2022

Dear Parents,

Our first STEAM Week post-Covid, has been a huge success. As always, events like this one don't happen without the support of the whole school community and I would like to thank everyone involved for making STEAM Week a success. Seeing the children dressed up as TTRockstars, calculators, number magicians for maths day was brilliant; the artwork the children have produced has been fantastic and the science today has been a huge success.

Parent consultations also ran smoothly and I hope you enjoyed getting back into school to see the children's books and meet the teachers face-to-face, our staff certainly enjoyed seeing you.

Just a reminder that next week is our last week and I look forward to writing to you in my end of year letter.

Jordan Davies
Head of Primary
