

What a fun week we have had – We particularly loved our end of year trip to Kidzania! We had so much fun doing different jobs.

This week we continue with our 'Space' topic.

Our book of the week has been 'Whatever Next' and the children have loved listening to story which is all about a bear that makes his own spaceship and travels into space. We have done some writing based around this book as well as some art.

SOUNDS OF THE WEEK:

We have now finished Phase 3 so please practice using your sound mat. As well as reading all the words.

All phase 3 taught so far – qu, sh, ch, th, ng, ai, oo, oo, ee, igh, oa, oo (look), oo (moon), ar, or, ur, ow, oi. ear, air, ure, er. Remember to speak to your class teacher to clarify how to say the sounds.

Continue to practice any Phase 2 sounds that your child doesn't know as well as all of the phase 3 sounds.

TRICKY WORDS:

All phase 2 and phase 3 – I, no, go, into, to, the, he, she, we, me, be, was, you, they, all, are, my, her. Remember we don't sound these out, we learn them by site!

MESSAGE FROM TEACHERS:

Reception have now been assigned classes moving into Year 1. These will be shared with you by the end of this week or next. We will be spending time showing children the class, their new teacher and all the different spaces they will be using when the move into Year 1.

It is getting very hot so children require short sleeves, sun cream and a sun hat. Children to come to school wearing full school uniform, including black shoes. PE kit only on PE days.

Please practice sentence reading and writing at home as much as possible.

Remember to provide enough water (the Ministry have taken these facilities away).

LITERACY:

Writing sentences. Talking about capital letters, finger spaces and full stops.

Children should be gaining more confidence with writing sentences, they can write sentences about anything at home. About their family/friends, about their favourite story or something they did at the weekend! Anything!

When writing sentences, it is important children use their sounds to spell words. In Reception, we don't focus on spelling every word correctly. We focus on the children trying, using their sounds.

LIBRARY:

A gentle reminder to return all library books in order for your child to take a new book home.

MATHS:

Using the language of first, then, now to create and answer number stories (take away).

ARABIC:

Please bring Arabic folders to school. Work can be uploaded to Class Dojo.
