

The children have continued to settle in brilliantly to Reception and have enjoyed their first week of full days. They have been amazing in their PE lessons with the specialists and have had lots of fun playing in The Adventure Playground in the morning, when it has been cooler. In the library the children enjoyed listening to a story and were able to pick a book to take home.

Next week the children will be focusing on the book “Oliver’s Vegetables” and have been asked to bring in vegetables by their teacher. They will be looking at how plants grow and will have the opportunity to plant vegetables in class.

MESSAGE FROM TEACHERS:

As we are promoting a healthy lifestyle we do not allow parents to bring in cakes to celebrate birthdays, thank you.

LIBRARY:

Library seasons will continue this week.

ARABIC:

Contact email – Ms Ahlam
