Preschool Weekly Brief

Week Commencing the 23rd October 2022

The children have enjoyed their final week learning about their 5 senses. Next week, the children will be starting their "Around the world" topic and will be learning all about Qatar. They will be looking at animals that live in Qatar and also famous places in Qatar. We will also be working on building up the children's confidence in meeting new people around school and will be learning phrases to say to them such as; good morning and how are you?
