Preschool Weekly Brief

Week Commencing the 30th October 2022

The children have spent a week learning about Qatar and exploring all the wonderful things that this country has to offer. They have been busy painting flags, looking at famous places and investigating the animals that live here. In maths, the children have been learning about triangles and went on a triangle hunt to see which class could find the most triangles. The winning class was PS Yellow who received a special mention at assembly and a sticker from Miss. Byars! Next week the children will be learning all about hot countries and will be focussing on the story "The lion who wanted to Love".

MESSAGE FROM THE TEACHERS:
