The children are also being introduced to red and green words in class. Green words are words that children are able to sound out and blend to read. The green words that we have been looking at can be viewed using this [link](#). Please note that children are currently only looking at 1.1 & 1.2 So should not be reading words after page 23.

Red words are words that cannot be sounded out. Our word of the week this week was I. For example, "I can sing" or "I am happy".

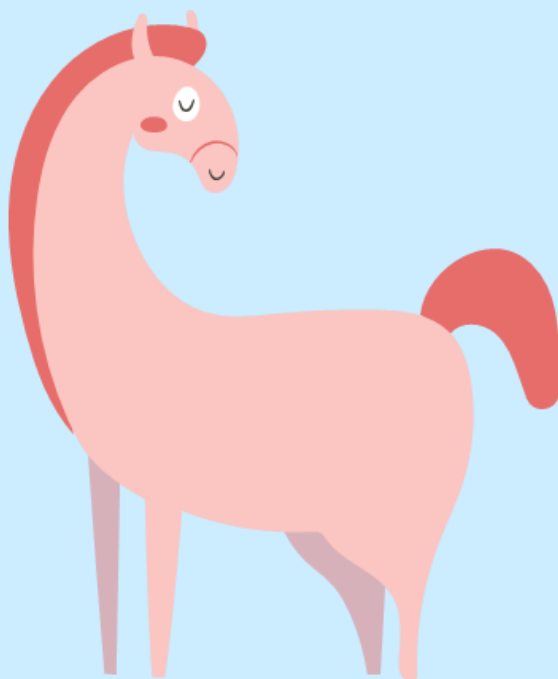

WEEKLY MATHS:

This week in maths we have been looking at repeated patterns. The children have been making patterns with lots of different things including painting patterns, drawing patterns, continuing animal patterns and making patterns with the resources in our classroom.

LIBRARY:

Library seasons will continue this week. Please make sure that your child brings their library folder to school on their library day. If they do not bring their old book back they cannot take out a new book.
