The children are also being introduced to red and green words in class. **Green words** are words that children are able to sound out and blend to read. The green words that we have been looking at can be found in the PDF [here](#). Please note that children are currently only looking at 1.1, 1.2 & 1.3. So should not be reading words after page 36.

Red words are words that can not be sounded out. Our word of the week this week was [/you/](#). For example 'You are amazing' or 'Can you help me?'.

LIBRARY MESSAGE:

Library books will be collected this week and no new books will be given out until after the World Cup break. Please can you ensure all books are returned to school.

WEEKLY MATHS:

This week in maths we have been looking at positional language (next to, inbetween, above, below, in front of, behind, on top, underneath). The children have been moving objects around the classroom and using the positional language in sentences. They have also been following instructions using the positional language.
