Reception Weekly Brief

Week Commencing the 8th January 2023

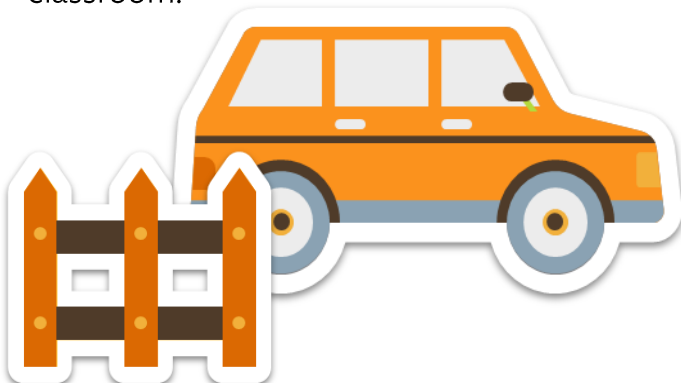

WEEKLY PHONICS:

This week we have been recapping the previously learnt sounds which can be found below. We have been working on recognising each sound as well as being able to read words including each sound. For example -j-e-t - jet

/m/a/d/s/t/i/n/p/g/o/c/k/f/e/l/h/sh/r/j/r/v

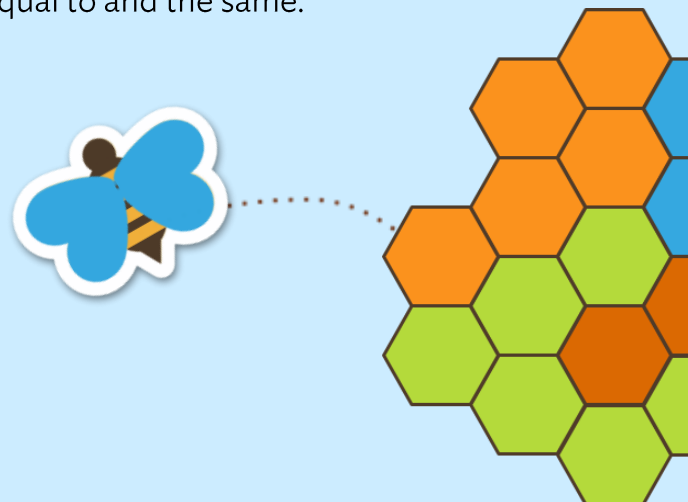

The children are also being introduced to red and green words in class. **Green words** are words that children are able to sound out and blend to read. The green words that we have been looking at can be found on the PDF [here](#). Please note that children are currently only looking at 1.1, 1.2, 1.3 & 1.4 so should not be reading words after page 52.

Red words are words that cannot be sounded out. Our word of the week this week was **/into/**. For example 'We put the ball **into** the box.' or 'I am going **into** the classroom.'

WEEKLY MATHS:

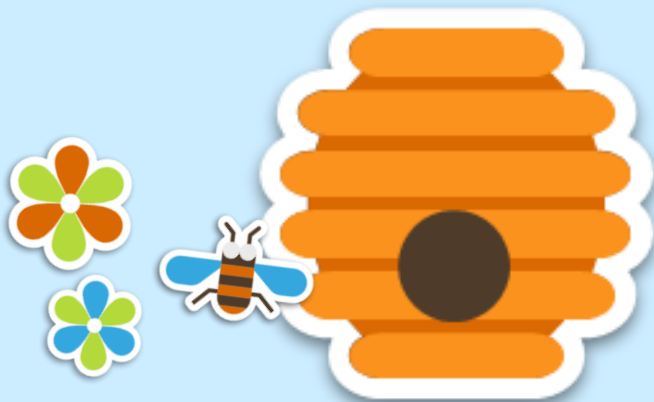

This week in maths we have been looking at more and less than. The children have been comparing different numbers and quantities using our key words. More than, less than, greater than, fewer than, equal to and the same.

LIBRARY:

The library is now back open and children will receive a new book weekly. Please ensure your child brings their library folder into school on their library day.

Please speak to your class teacher if you need anymore information.

Photos of the Week

Thank You

The background of the slide is a solid dark blue. Overlaid on this are several large, semi-transparent, overlapping circles in a lighter shade of blue. To the right of the text "Thank You", there is a white graphic element consisting of two curved lines that meet at a point, forming a stylized leaf or arrow shape pointing towards the right.
