Preschool Newsletter

Week Commencing the 8th October 2023

Dear Parents,

Thank you to those parents who have already completed the form. Please could we ask that this is read and completed by Thursday 19th October.

Doha British School – Ain Khaled recognises that the successful development of its students depends on an effective partnership of School, students and parents. All three parties share responsibility for the development and achievement of each student.

To improve our partnership we have introduced a Home School Agreement:

Please find this agreement at the link below

Once you have read it, complete the Response Form. Please note that you will need to complete a response form for each of your primary school children.

This week's

Preschool update!

In pre-school the children have been busy investigating their 5 senses. They have been exploring their senses by tasting various items, such as lemons! They have also been on walks to encourage them to talk about what they can see and hear....

Some children even got invited into Dr. Cheater's office to see what they could see and hear in there! In the water tray, the children have enjoyed smelling different scents such as mint and lavender and have also used their sense of touch to explore how different objects feel. Next week, the children will be learning all about healthy eating and will have the opportunity to try a different vegetable each day.

MESSAGES FROM THE TEACHERS

Please remember to sign up for parent consultations. The children will be trying the following vegetables throughout the week:

Sunday	: Cucumber
Monday	: Carrot
Tuesday	: Bell pepper
Wednesday	: Corn
Thursday	: Green Peas

TRAFFIC AWARENESS AT DBS AIN KHALED

- **Stop in a safe area:** Do not stop or unload passengers in the middle of the road. This can create dangerous situations.
- **No Overtaking:** Refrain from overtaking into oncoming traffic. Everyone is waiting their turn, and patience is vital for safety.
- **Seatbelts:** Ensure that all children wear their seatbelts correctly in the car. Seatbelts are essential for their safety.
- **Speed Limit:** All drivers should maintain a maximum speed of 30 KPH near the school. Slower speeds greatly enhance safety.
- **Slow Driving:** Drive very slowly around the school, especially during peak drop-off and pick-up hours.
- **Crossing the Road:** Please ensure that children are encouraged to look both left and right for traffic when crossing the road and all Primary students to hold hands with an older sibling, parent, family member, nanny or driver.
- **Supporting Security:** Please cooperate with the security and senior staff as they manage traffic flow. Their guidance is crucial for the safety of everyone.
- **Kindness and Respect:** Please be kind and respectful to fellow drivers and DBS staff. Keeping children safe is of the utmost importance.

Thank You
