1. Purpose

This policy provides a statement of the school's commitment to anti-bullying.

2. Scope

The policy applies to all schools.

3. Policy Statement

We are steadfast in our commitment to ensuring the safety and well-being of every student in our care. Our anti-bullying policy is firmly rooted in the principles of restorative approaches, underpinned by our belief in the importance of empathy, accountability, and healing in addressing bullying incidents. We recognise that every student has the inherent right to be safe and secure, a principle enshrined in the United Nations Charter on the Rights of the Child. Our school community rejects all forms of bullying and harassment, and we are dedicated to promptly addressing and rectifying any such incidents. By fostering a culture of respect, understanding, and open communication, we aim to create an environment where every student can thrive, free from fear and discrimination.

4. Definitions

5.2 Although not an exhaustive list, other examples of bullying behaviour not tolerated by the school are actions directed against any difference or perceived difference including racial bullying, or bullying based on disability, ability, gender, appearance or circumstance.

5.3 The school commits to using some or all of the following to help raise awareness of and prevent bullying:

- Implementing the school Code of Conduct for pupils;
- Raising awareness of bullying through tutor or class group time activities, PSHE and a whole school approach to 'Anti-Bullying Week';

6. Response to bullying

6.1 All reports of bullying will be taken seriously and will be followed through using DBS' Anti-bullying Procedure. Records of bullying will be recorded in the files of all involved.
