3. Policy Statement

We are committed to fostering an environment that upholds the highest standards of integrity, compliance, academic honesty, and rigour. Our Exams Policy is a crucial component in ensuring that all students have an equal opportunity to demonstrate their knowledge and skills in a fair and consistent manner. This policy outlines our expectations for students, parents and staff, promoting a culture of academic excellence and ethical conduct.

We are committed to operating in the strictest of compliance and adhering to the regulations of the relevant Examination Boards. We uphold confidentiality throughout the exam process.

We prioritise the security of all examination materials, ensuring their safekeeping before, during, and after the exams. Strict protocols are in place to prevent any unauthorised access, tampering, or leakage of exam content. We expect all students, parents and staff to uphold these security measures and report any breaches or suspicious activities promptly.

Our school community, including students, parents, and staff, are expected to comply with all relevant policies and procedures related to examinations. These policies are designed to maintain fairness, transparency, and consistency, and any violations will be addressed with appropriate disciplinary measures.
