Our Purpose

Is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve

Our Vision

Is to be a vibrant, welcoming international school that provides a first class education enabling pupils to thrive within a dynamic, global environment

Our Mission

Is to prepare all pupils through a relevant, challenging curriculum and well-resourced facilities, to become lifelong learners contributing to a global community

مدرسة الدوحة البريطانية
DOHA BRITISH SCHOOL

SINCE 1997

We are committed to preparing our community to thrive in an increasingly interconnected world. We explore global citizenship as a commitment to social, environmental, and economic actions taken by individuals and communities who acknowledge that every person is a citizen of the world.

Global Citizens:

Have knowledge and understanding of global issue.

Take responsible actions that positively impact the world.

Reflect a deep sense of collective responsibility and shared humanity.

Cultivate skills and attitudes to be active and responsible global citizens.

Foster an awareness of our interconnectedness with people from diverse backgrounds and regions.

Growth: Cultivate skills and attitudes to be active and responsible global citizens.

Learning: Have knowledge and understanding of global issues.

Oneness: Reflect a deep sense of collective responsibility and shared humanity.

Belonging: Foster an awareness of our interconnectedness with people from diverse backgrounds and regions.

Action: Take responsible actions that positively impact the world.

Leadership: Demonstrate leadership in promoting global citizenship and sustainable practices.

Sunday 22nd June

Dear Parents and Guardians,

As we come to the close of another academic year, we want to take a moment to reflect and express our heartfelt appreciation to you—our valued partners in education.

This year has been filled with growth, challenges, and unforgettable moments. From the classroom to the playground, from Sports Days and school trips to International Day, the Spring Fair, school productions, and much more—we have watched our students flourish academically, socially, and emotionally. Their resilience, curiosity, and enthusiasm have been the heartbeat of our school, and your continued support has made all of this possible.

The programmes on offer have gone from strength to strength, and this progress has been formally recognised by the Ministry of Education and Higher Education. The school was awarded a Gold Certificate for student involvement in the Our Values, Our Identity projects, received the highest grade in the Qatar National Identity inspection, and achieved outstanding ratings in 21 standards during our recent CIS accreditation. These accomplishments are a testament to the dedication, support, and commitment of our entire school community.

I would also like to recognise the dedication and hard work of our staff—teachers, support teams, and land primary School leadership team—who have consistently gone above and beyond to provide not only academic excellence but also care, encouragement, and a sense of belonging for every student.

To our graduating and departing students and families: thank you for being an integral part of our community. You leave a lasting mark on our school, and we wish you success, happiness, and fulfilment as you begin your next chapter.

For those returning next year, we look forward to welcoming you back after a well-earned summer break. Until then, we wish all our families a safe, restful, and joyful holiday.

Warm regards,

Robnawaz Khan

IMPORTANT MESSAGES:

Reports published 22nd June

Dear Parents,

As we reach the final week of the academic year, I want to take a moment to reflect on what a fantastic year it has been for our Primary community. From exciting learning experiences to personal growth and achievement, our children have truly flourished.

This week, our Year 3 students enjoyed a fun and educational trip to the 123 Museum, while Mr. Whelan visited a farm in North Doha to prepare for a new eco project launching next year. We are thrilled to announce that some of our Year 5 and 6 students will have the opportunity to apply for a unique initiative involving their own garden allotments, where they can learn to grow vegetables and explore sustainable living. Applications for this exciting project will open in September.

End-of-year reports will be published on the Parent Portal by 3:00pm on Sunday 22nd June. We hope you take time to read and celebrate your child's progress and successes over the year.

Thank you for your continued support throughout this academic journey. We wish all our families a safe, restful, and happy summer holiday. We look forward to welcoming you back on Sunday 31st August for another year of joyful learning!

Best wishes,
Mrs Kelly
Head of Primary
