

DOHA BRITISH SCHOOL

AL WAKRA CAMPUS

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

November 04 2021

Dear parents,

As winter approaches and the weather becomes a little cooler, I am writing to you this week to remind you of our expectations around both uniform and other items which DBS Wakra students should bring with them each day. We have high expectations of the young people in our care in all aspects of their educational careers, including not only how they perform academically but also their appearance whilst they're with us in school. To this end, DBS Wakra students must only wear DBS-branded shirts, jumpers and PE kits; they must also wear plain black or grey trousers, skirts or shorts and their shoes too should only be plain black leather. During the winter period, students can also wear the DBS-branded fleece. In addition, whilst COVID is still with us, wearing a facemask should also be considered as an important part of our complete and correct DBS uniform for all students from years 1 and above.

It is also important for all students to bring a fully-filled water bottle with them each day. Our water fountains are currently out of use due to COVID so students cannot access drinking water during the day as they once could. Teachers and other professionals will help students if they get thirsty during the day, but – for the time being – it is not easy for students to simply get a drink whenever they want one and it really helps us if all students comes prepared.

It has always been the case, of course, that we insist upon our students only eating and drinking healthy items when they are in school. Whilst our canteen remains closed – another important COVID measure – this is perhaps even more vital. Attached to this email is a poster which has been displayed in various places around our school for over two years now and which outlines our expectations of healthy eating and drinking.

As always, if any parents would prefer to contact me directly regarding the content of this letter, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
