

DOHA BRITISH SCHOOL

AL WAKRA CAMPUS

*Our core purpose is that every young person should gain as much as possible from our school,
based on our belief that all learners can, need and want to achieve.*

November 11 2021

Dear parents,

Next week, all three current Doha British School campuses will be inspected by the [British Schools Overseas](#) organisation. Inspectors will be on the DBS AK site from Sunday November 14th – Wednesday November 16th and will visit DBS Wakra on Wednesday November 17th and Thursday November 18th, during which time they will also inspect DBS Rawdat Al Hamama. Inspections of this type are a normal part of the accreditation cycle of top British schools and teachers who work in either UK or overseas schools are very much accustomed to this level of professional scrutiny. Both days will be normal days in school because we want the inspection team to leave with a sense of how well our school works on a typical day and, other than maybe seeing or talking to an additional adult in school, DBS Wakra students are unlikely to feel like anything is different at all! Following the inspection, subsequent reports usually take a few weeks to write but as soon as we are able to I will ensure that our DBS Wakra report is shared with all members of our school community.

As always, if any parents would like to contact me directly regarding the content of this letter, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
Principal, Doha British School – Al Wakra Campus
