

DOHA BRITISH SCHOOL

AL WAKRA CAMPUS

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

April 14 2022

Dear parents,

I am writing this week to draw your attention to our social media accounts:

Facebook: Doha British School Al Wakra

Instagram: dbswakra

I know that many parents already engage actively with our posts, but we are always keen to reach even more families within the Al-Wakra community, as well as those who may live further afield, so that we can promote the outstanding teaching & learning which takes place in our school each day. If those of you who use social media regularly could like, share or comment where appropriate in order to give our posts an even greater audience and thusly to spread the word about our brilliant school, that would be greatly appreciated.

Similarly, we continue to seek to celebrate the external achievements of our students internally via our celebration board (which is located in between the primary and secondary blocks) and – with parental permission – externally via our social media accounts. If parents have any images of their children developing their characters outside of school (such as gaining karate belts, taking part in sports tournaments or winning awards of any type!), then they are very welcome to send them to me for the purpose outlined above. We are genuinely interested in watching our wonderful students grow and develop into the amazing people we know that they will become!

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
