## AL WAKRA CAMPUS

*Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.*

April 21 2022

Dear parents,

As we all know, 2022 is a very special year for Qatar with the Fifa World Cup taking place in November and December. Of similar importance, however, is that 2022 also marks 25 years of success for Doha British Schools, with the original campus in Ain Khaled having opened back in 1997. With this in mind, I would be very grateful indeed if any members of our DBS Wakra community would be willing to share with us any memories, photos, videos or other items which we could use to highlight the quarter century of our brilliant organisation. In particular, we would be very keen to hear from any parents whose children may have been with us in Al-Wakra since our campus opened in 2014.

Doha British Schools is a cluster of schools with both an illustrious past and a bright future, and I am certain that there are many members of our school's community who would very much like to support us with our efforts to catalogue the wonderful history of our organisation.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
