

DOHA BRITISH SCHOOL

AL WAKRA CAMPUS

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

June 23 2022

Dear parents,

Today is our final day of the 2021/2022 academic year. Term 1 of the 2022/2023 academic year will begin for students on Tuesday August 16 at the usual time of 07.00 and we look forward to seeing our brilliant DBS Wakra students on this date.

Thank you to all parents for your wonderful support over the course of this year. At every moment, during our periods of blended, online and in-school learning, you have shown both patience and understanding and your feedback has always been very gratefully received. Although this academic year has presented many challenges, it has also been another very successful period for our school. We remain very proud, for instance, that we were judged to be outstanding during our BSO inspection and we are happy that we were able to accommodate students from DBS Rawdat Al Hamama with such ease since August before their move to their new campus next term. We are also delighted that our first cohort of students have sat their IGCSE exams and we expect some impressive grades from them when they are released at the end of the summer. In addition, our primary students have continued to make excellent academic progress in all year groups.

I wish all members of our DBS Wakra community a safe, restful and enjoyable summer break wherever they are spending it. When we return in August, I am certain that we will experience another positive academic year.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
Principal, Doha British School – Al Wakra Campus
