Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

September 30 2021

Dear parents,

Following the ministerial announcement made today (30.09.21:

<https://www.thepeninsulagatar.com/article/30/09/2021/All-students-back-to-school-from-Sunday-Ministry>), we are delighted to be able to welcome all DBS Wakra students in all year groups back into school for full-time 100% face-to-face learning from Sunday 3rd October.

Covid, however, is still with us and the pandemic has not passed, so we must keep many of the measures in place which have served us so well over the recent 18 months. For example, students will continue to adhere to social distancing guidelines and must continue to wear face masks in school.

We will also continue to ask our students to arrive and leave in a staggered manner so that we can ensure a safe and orderly beginning and end to the school day. Copied below is an outline of our entry and exit procedures:

As the press release states that there will be an easing of restrictions, we will now also ask students to wear their PE kits to school on days when they have PE on their timetable.

The canteen will remain closed until further notice, so children will need to continue to bring food and water for the day.

As always, if any parents would prefer to contact me directly regarding the content of this letter, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
