

Primary Newsletter- Number 34 **Week 5th - 9th June 2022**

WHAT HAVE WE BEEN LEARNING THIS WEEK?

PRESCHOOL

This week in Preschool, we celebrated the Queen of England Platinum Jubilee. We enjoyed tasting the cakes which we bought at the cake sale. In Phonics, we revisited the beginning sounds of words and started to segment CVC words. Finally, in Maths, we learned what will happen when we take one object away.

Reception

This week in Reception we learnt about Jungle Animals and their homes. We sang the song 'down in the Jungle' and enjoyed it. In phonics, we started writing longer and more complex sentences. In Maths we explored the properties of 3D shapes and compared how it is different to 2D shapes.

Year 1

Year 1 planned their next adventures for Erin through a return story. In Maths, they have finished Multiplication and Division off by sharing amounts by a given number. In Foundation they made their very own flags out of felt, foam, paper and many other interesting materials. In Science we looked at daylight hours through the seasons.

YEAR 2

In Maths we have explored volume and capacity in millilitres by filling different containers with water. In English we have started to design our cleaning machine for our Independent writing. In Science we have looked at the different food groups and a combination of food groups to make a healthy meal.

Year 3

In English this week, Year 3 have been using the vehicle text to come up with exciting, expanded noun phrases for their setting descriptions. In Maths we have been converting analogue times to digital times and in Science we learned all about food chains! We are excited to find out what will happen to Tilly next during our reading lessons!

Year 4

In Year 4 we have become masters of time! Children are able to identify, seconds, minutes, hours and years and can convert between them. In English, we have started to create our shared write for a brand new underwater invention. We have also celebrated the Queen's Platinum Jubilee by creating monoprints using oil pastels!

Year 5

This week in Year 5, we have been learning about converting metric units. We used our multiplying and dividing skills when converting between mm, cm, m and km. During our Foundation lessons, we learnt about South African artist 'Esther Mahlangu'. The children recreated some of her famous designs which included: geometric features, bright colours, symmetry and thick bold lines.

Español

Year 1: Has been learning about professions.

Year 2: Has been learning about fruits according to gender and number.

Year 3: Has been learning about the means of transportation.

Year 4: Has been learning to give and understand directions.

Year 5: Has been learning the parts of the city linked to connectives and the verb HABER.

Year 6: Has been learning to follow and give directions.

YEAR 6

In Year 6 this week, we have been analysing a discovery narrative in English to identify its key writing features. In Maths, we have been building 3D shapes, calculating the interior angles in polygons and accurately drawing shapes. In Science, we have been learning about how animals adapt overtime. In Computing, we have been learning how to input data into an Excel spreadsheet.

Music

This week Primary students have been playing musical instruments and music games. We are learning about musical notation, elements of music and famous composers, also listening to great classical pieces. Students have been practising singing different melodies with SolFa hand signs. Pupils practised "Good morning", "Heat waves", "Dance monkey" "Believer" "Eye of the tiger" songs

Monday 13th June- Parent
Consultations

Thursday 23rd June- Last day of
school

Star of the Week

	Muhammad Hassan Uppal		Nour El-Hachmi
	Marley Engely		Yasmine El Hachmi
	Lolwa Al-Ali		Henry Jackson
	Avery Yap		Youssef Belal
	Mohammed Al-Sahli		Joanna Georgie
	Maryam Al-Mansoori		Nathan Gois
	Duaa Bashir		Fatma Mostafa
	Oliver Yap		Jassim Al-Jaber

Congratulations to Shaikha in 1D Bat Class.

Shaikha has shown outstanding resilience by not giving up on her learning even when the lessons have been challenging. Because of her brilliant attitude, she has made some great progress. Well done, Shaikha.

Information

Our first bake sale in over two years was an absolute hit. Hundreds of cakes were baked and bought to be enjoyed by all our children, with many parents being able to sample the delights at the end of the school day.

All the staff and children want to extend a huge **Thank you** to everyone who contributed to this event.

Street party vibes were flowing on Sunday as Doha British School joined in the global celebrations for Her Majesty Queen Elizabeth II's platinum jubilee.

Children could enjoy tea and cake while listening to traditional British music by artists who have all performed for the Queen during her 70-year reign.

Throughout the day, the children took part in art challenges, quizzes and reading activities about the history-making monarch.

On Monday, parents can come to school to meet with the class teacher to talk about the final report of the school year. Please look at my letter (sent by email) to sign up for an appointment.
