

Primary Newsletter- Number 31 **Week 15th - 19th May 2022**

WHAT HAVE WE BEEN LEARNING THIS WEEK?

PRESCHOOL

This week in Preschool, we learned the names of the different types of water transportation. Next, in Phonics, we discovered a new sound; the “b” sound and words that begin with it. Finally, in Maths, we learned different ways to represent the number 10.

Reception

This week in Reception we have been focusing on writing instructions on ‘how to make a jam sandwich’. To conclude the topic we made jam sandwiches in class. In Maths we learnt the Days of the week and Months of the year and answered questions using the key words: before, after, next, first, last, yesterday, today, tomorrow. We read the story ‘The Hungry Caterpillar’ to help us with the days of the week.

Year 1

Year 1 have been using repeated addition and adding equal groups, in Maths. In English, they have been exploring the example text ‘Black Rock’ by using hot seating, drama and freeze frames. In Foundation, Year 1 have been looking at the materials used to make flags. This has influenced their design process.

YEAR 2

This week in Year 2 we have continued looking at time for Maths. In English, we have been looking at the story of Rosie Revere- Engineer. We also further explored the example text. In Foundation, we started a new topic all about Puppets! In Science, we looked at what animals need in order to survive.

Year 3

This week, Year 3 have been writing an information leaflet about rainforests. In Maths, they have been learning about measuring and calculating length and perimeter. In Science, they looked at pollination and seed dispersal in detail. They made up actions to help them remember the difficult vocabulary words.

Year 4

In Year 4, we have been absolutely outstanding with our decimals work! Children are able to order and compare a variety of decimals confidently and independently. In English, we have been creating our own setting poems based on the sea. In Foundation, we created a facebook page for Jacques Cousteau focusing on his key interests and events in his life!

Year 5

This week, Year 5 has been analysing and learning about the features of a survival guide; we introduced our new topic with a series of exciting puzzles in English. In maths, we have concluded our learning on shape and we are now beginning to learn about coordinates, position and direction. In science, we have learned about the human timeline and different stages of life.

YEAR 6

This week in Year 6, we have been calculating the interior angles inside a triangle. In English, we have been using drama to describe a scene from our new book. In Science, we have been identifying the habitats of different animals and their adaptive traits. Lastly, in Foundation, we have been learning about the beliefs of the Ancient Greeks!

Español

Year 1: Has been learning to write basic description about the parts of the body using singular and plural

Year 2: Has been learning to describe the animal park using numbers, singular and plural.

Year 3: Has been learning to describe pets.

Year 4: Has been learning to describe the character using the verb Ser.

Year 5: Has been learning to describe their bedroom.

Year 6: Has been learning the parts of the city.

Music

This week Primary students have been playing musical instruments and games. We are learning about musical notation, elements of music and famous composers, also listening to great classical pieces. Students have been practising singing different melodies with SolFa hand signs. Pupils practised "Good morning", "Heat waves", "Dance monkey" "Believer" "Eye of the tiger" songs

These children
have had their
birthday this
week

ALI CEMIL KARAS
ZAKIR HAMAD
NATHAN GOIS
ADAM REHMANI AKTHAR

WB 22.5.22- STEM Week

Wb 29th May- Assessments and Exams commence

Wb 5th June- Reports published

Thursday 23rd June- School closes for summer.

Star of the Week

	Saiṣ Al-Abdulla		Jeya Devi
	Tula Saleh		Ahmad Al Jaidah
	Raiek Ahmed Abouakar		Joud Alkhenji
	Khadija Atta		Mohammed Albuainain
	AlHor Al-Hor		Vihaan Samithadasa
	Zainab Al-Jelabi		Sayed Hasan Alawi Shehab
	Al-Dana Al Zobair		Ahmad Mubarak
	Shamsa Al-Mansoori		Manomay Surana

Congratulations to Yasmine in 4D Penguin Class.

This week, we have been focusing on self-confidence. Yasmine is someone who demonstrates this daily while maintaining her ability to be kind, helpful and polite. A worthy recipient of this prestigious award.

TIMES TABLES ROCK STARS CHAMPION OF THE WEEK

Year 2

Zaynab Rizwan

Year 5

Branden Thomasz

Year 3

Maryam Ali

Year 6

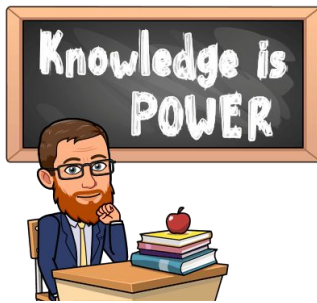

Jassim Al Jabir

Year 4

Sophia Siddique

Information

We have noticed recently that some food items have started appearing in children's lunchboxes. We are a healthy eating school, and certain food groups, ones high in fat and sugar, should be avoided. See the below examples. Any food containing nuts must not be brought to school as we have several children who are severely allergic to nuts.

This week it was the turn of children in our D classes to come to celebration assembly to receive their 100% attendance certificates.
