

# DOHA BRITISH SCHOOL

## AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,  
based on our belief that all learners can, need and want to achieve.*

September 15 2022

Dear parents,

Next week, ECAs will resume across all Doha British School campuses, and earlier this week our offer was published to our community by our heads of primary and secondary respectively. We are delighted that – post the disruptions of the covid period – our students will be able to once again take part in face-to-face sessions which complement the academic learning they enjoy in school. Our ECA offer has been put together with great care and a clear intention, namely to provide not only a broad and balanced extra-curricular offer which adds value to students' school experiences but also to further embed the key characteristics of Qatar National Identity which are woven into all schools in the country we are proud to serve.

In addition, students who commit to getting as much as they can from our ECA offer will also be supporting their own [character development](#) against the seven key characteristics which also run central to life in DBS. Teachers will actively look to reward students who seek to benefit from the various activities on offer and it would be very pleasing indeed to see as many of the young people in our care as possible receiving postcards and proudly wearing their character development badges as part of their complete and correct DBS school uniform.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.

Principal, Doha British School – Al Wakra Campus
